See for yourself
if it's true
or not.

However,
I have a
condition.

Condition?
What do
you want?

It's nothing
in poor
taste.

you just
need to

give me the
little girl that's
always around
you as the
condition of
your return.

Pfft

Ha
ha

Did you
really
believe
that?

Is this a joke?
How did you
know about
the girl I
keep by my
side?

What you
need requires
a lot of
preparations.
It isn't easy
to do.

I'll come
again in 3
months. When
that time comes
I'll fulfil the
condition,
assuming I'm
able to.

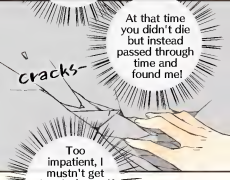

Self-righteous swine! How come after all this time you're closer to Tong than I am?

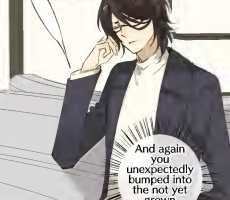

I really want to slaughter you like before! But I can't!

At that time you didn't die but instead passed through time and found me!

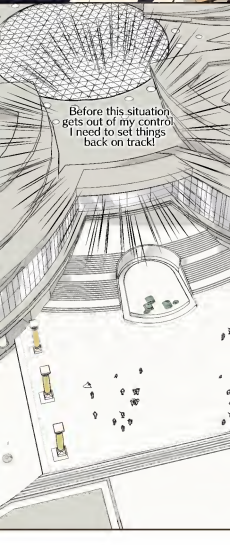

Too impatient, I mustn't get ahead of myself. I can't even think straight right now!

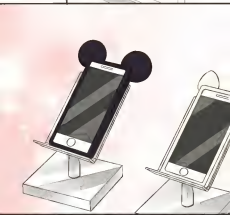

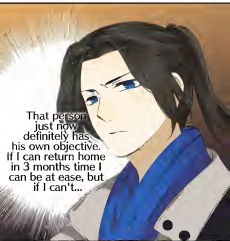

And again you unexpectedly bumped into the not yet grown Tong!

I must quickly return you home!

Before this situation gets out of my control I need to set things back on track!

Not interested.

Young man please consider it! The daily wage is very good! Are you sure you want to miss this opportunity?

Stops

Can I earn enough to buy a cellphone?

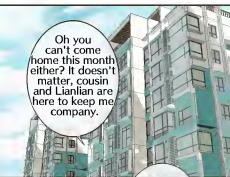

Certainly! It's enough to buy many phones!

Then it's a deal.

Oh you
can't come
home this month
either? It doesn't
matter, cousin
and Lianlian are
here to keep me
company.

Ok, good-bye!

Not coming
home again!
Not coming
home again!

Firmly catch-

What are you so excited about, brat? You almost rolled onto the ground!

Lianlian you're back, thanks for catching me...

Lianlian, this is very important, the day after tomorrow is my birthday!

Oh.

Lianlian your expression never changes.

Alas, he doesn't get the obvious hint?!

What expression?

So the day after tomorrow is the
brat's birthdate...

It's a good thing I just so
happened to buy this...

Guess I'll give it
to her on her
birthday...
